

The Secret Garden

Set against the sylvan backdrop of Wandering Tree Estate, MAUD Weddings (formerly Modern Story Event Co.) and SoCo 36 Events' styled shoot captures the timeless allure of a secret garden escape. This vignette invites you into an atmosphere that is both intimate and grand, seamlessly blending nature's beauty with fashionable details.

The lush greenery and tranquil waters of Wandering Tree Estate in Barrington provide an enchanting setting where love stories blossom. From the secluded garden nook where the ceremony takes place to the dinner under a greenery-framed pleached allée, this setting invites dreamers to explore hidden corners of beauty. After all, if you look the right way, you can see that the whole world is a garden.
